What are your model railroading strengths (knowledge and skills)? _____

What model railroading skills would you like to learn? _____

The club currently meets every Monday and Thursday evening at about 7:30 PM. Attendance is not mandatory, but highly desirable for the applicant to get to know the members and for the members to get to know the applicant. Full membership is open to anyone 18 or over and junior membership is open to anyone under 18 years of age (requires parental/guardian accompaniment). Please refer to the club's Constitution & By-Laws for full membership details.

Application Fee (non-refundable) is \$25.00, plus the first month's dues.

Monthly dues are \$24.00, due the first meeting day of the month.

New active applicants are considered "Apprentice Members" for a minimum of six months, during which time the applicant must learn about the club and complete the Applicant Goal Sheet. Upon completing the Goal Sheet and serving for at least six months, the Apprentice Member will be voted upon by the membership for "Full/Junior Membership" status at the next regularly scheduled business meeting (Goal Sheet must be completed a minimum of 2 weeks prior to the meeting). All BCMRC members must be National Model Railroad Association (NMRA) members. If you are not currently a member of the NMRA you must submit a completed Railpass application form (link on our website) with your club membership application. You DO NOT need to submit the Railpass application fee listed on the form, as that will be paid for by the Club for new members. Your monthly club dues include your annual NMRA membership dues so you will not need to pay anything additional to maintain your NMRA membership while you are a member of the BCMRC.

Present your completed membership application and Railpass application, if applicable, along with the Application Fee and first month's dues to a current or former member of the Executive Committee who will review the club's rules and regulations with you and answer any of your questions.
